

GLORY, GLORY

Glory, Glory, Halleluija
Since I lay my burden down
Glory, Glory, Halleluija
Since I lay my burden down

Glory, Glory, Halleluija
Since I lay my burden down
Glory, Glory, Halleluija
Since I lay my burden down

I've been resting from my labour
Since I lay my burden down
I've been resting from my labour
Since I lay my burden down

All my troubles now are over
Since I lay my burden down
All my troubles now are over
Since I lay my burden down

Lord I'm feeling so much better
Since I lay my burden down
Lord I'm feeling so much better
Since I lay my burden down

Glory, Glory, Halleluija
Since I lay my burden down
Glory, Glory, Halleluija
Since I lay my burden down
