

SAY A LITTLE PRAYER

The moment I wake up
Before I put on my make up
I say a little prayer for you
While combing my hair now
And wondering what dress to wear now
I say a little prayer for you

Forever, forever you stay in my heart and I will love you
Forever, forever we never will part and how I love you
Together, together that's how it must be to live without you
Would only be heartache for me?

I ran for the bus dear
While riding I think of us dear
I say a little prayer for you
At work I just take time
And all through my coffee break time
I say a little prayer for you

Forever, forever you stay in my heart and I will love you
Forever, forever we never will part and how I love you
Together, together that's how it must be to live without you
Would only be heartache for me?

Forever, forever you stay in my heart and I will love you
Forever, forever we never will part and how I love you
Together, together that's how it must be to live without you
Would only be heartache for me?

My baby believe me
There's no one like you
Please love me do
Answer my prayer
